A QUICK LOOK AT SOME OF THE PERFORMERS FOR 2008

UNITED STATES NAVY BLUE ANGELS

As the Quad City Air Show celebrates it's 21st Annual Event on June 21-22, 2008. We want you to be a part of this historical event. The Quad City Air Show is the largest weekend event in the region and one that is highly anticipated each and every year.

The Quad City Air Show is the perfect event for you and your organization to be associated with. This event relies on community support to be able to "Keep them in the AIR".

Sponsorship is better than traditional advertising, it allows for a dialogue and allows spectators to see up close your product, service, and company. At the same time it provides your employees the pride and privilege of being able to support a local event. Believe me, the rewards are contagious and you will be back year after year.

Thank you for this opportunity and we look forward to working with you in 2008...
