33 Years Flying! Yes, it is hard to believe that the 2024 Quad City Air Show will be the 33rd show and we are very proud and honored to showcase the very best Military Demonstrations. It is again time to fill the skies with the Greatest Military - The United States Armed Forces on June 22-23, 2024.

As the Quad City Air Show celebrates it's 33rd Air Show on June 22-23, 2024. We want you to be a part of this historical event. The Quad City Air Show is the largest weekend event in the region, one of the longest running Airshow's in the world and one that is highly anticipated each and every year.

The Quad City Air Show is the perfect event for you and your organization to be associated with. This event relies on community support to be able to hold this annual event as we are a non-profit 501C3 organization.

“Keep them in the AIR”

Sponsorship is better than traditional advertising, it allows for a dialogue and allows spectators to see up close your product, service, and company. At the same time it provides your employees the pride and privilege of being able to support a local event. Believe me, the rewards are contagious and you will be back year after year.

Thank you for this opportunity and we look forward to working with you in 2024...
